Doreen Russell

We were deeply saddened to learn of Doreen's sudden passing on June 17 after suffering a massive stroke. She was 84.

Doreen was born on September 16 and shared both her birthday and birth year with her good friend and former Charlevoi resident, JJ Jackson.

Originally from Ireland, Doreen immigrated to Cleveland, Ohio, at the age of 18. There she married, raised her two children, Kelly and Danny, and built a life filled with adventure. She enjoyed ballroom and tap dancing, worked for the IRS, and loved to travel. Whether exploring the United States or visiting countries around the world, she was always ready for her next journey.

Doreen and Jim made Charlevoi their home in 2009. Many of us came to know her through our water aerobics and line dancing classes, where she was a familiar face and enthusiastic participant. She had just returned from a long-awaited bucket-list trip to Iceland with her daughter—a place she absolutely loved.

We will remember Doreen for her adventurous spirit, her love of dancing, and the warmth she brought to our community. She will be greatly missed.

Rest in peace, Doreen
