NEW DRAINS – NO DRANO

IMPORTANT: DO NOT USE DRANO (or Liquid Plum'r or anything similar) in your drains. It will ruin our new liners. We don't want to go through the huge expense and "no water, no drain" days again.

If you need to unclog any of your drains, use **GREEN GOBBLER ONLY**. It's available at our local ACE Hardware and on Amazon: <https://a.co/d/04qU3XAp> They have several options - liquid, powder, preventive cleaners, etc. Thank you!

Project Updates

Sewer Drain Project Completed

This long overdue project has been completed! Thank you for your patience as many of you went without water (or drainage) for 1-3 days.

Elevator Upgrade Continues on West Side

The West side elevator will be shut down at 7:00am on Monday, 3/2, for approximately 4-5 weeks.

Parking Lot Grading and Re-paving May 15-30

As part of this project, the south planting area will be removed to allow more space for trucks to turn around. The speed bumps will also be removed.

All cars will need to be removed from both lots, including carports, during this time. Cars in garages do not need to be removed, but they will not be able to leave while work is in progress. We have permission to park in the Event Center lot during this time.

In exchange, Event Center employees will park in our Visitor spots during the next two auto auctions, from 8:00am to 8:00pm on March 12-14 and December 3-5.
